

LEMON TWIST

bartending + alcohol catering

Nothing adds that special touch and sense of excitement to a party like professional bartenders. Having a bartending service for your event will allow you to focus on other important details like food, invites and party theme. Enjoy being the host of your party and mingling with friends instead of making drinks and managing the mess! All of our bartending packages are fully customizable, let us know of

Any questions you might have.

COMPLETE BAR PACKAGE-

Our most popular and inclusive bartending package. Your bartenders will bring everything you need for beverage service at your event, you just provide the alcohol. This package is perfect for those of you that want a hassle free service for all of your beverage needs.

This Package Includes: bartender, spill mat, shaker, wine key, bottle opener, clear plastic cups, coolers, ice, straws, beverage napkins, bottle of water, Coke, Diet Coke, sprite, club soda, tonic water, cranberry juice, orange juice, margarita mix, garnishes, etc.

JUST THE BARTENDER-

This is a great option if you have nearly everything you need for your party or don't mind picking up a few things. Our professional bartenders will show up with the essential tools and bar equipment and use what you have on hand. We can tailor each of these packages based on your needs. All bartenders are TABC certified and Insured, with a minimum of 5 years of experience and come professionally dressed in black.

This Package Includes: Bartender, coolers, shaker, wine key, bottle opener, spill mat, straws, disposable cups, beverage napkins, garnishes, etc.

ADD A BEVERAGE STATION TO ANY BARTENDING PACKAGE

Adding a self-serve non-alcoholic beverage station to any of our bartender packages is a creative option that your guests will love. Your Lemon Twist bartender will set up your station and replenish during your event. Your beverage station will come complete with: 3 beverage containers with water, ice tea and lemonade, cups, linen and table to serve from.
